

### ***TOWNSVILLE BUSH WALKING CLUB***

You want

- Continued access to the 120 year old track system within the rainforest
- Restrictions on the number of people allowed access to these fragile wilderness tracks
- Provision of improved camping facilities at the Dam (currently only one toilet block exists)

### ***TRAILBIKE RIDERS CLUB***

You want:

- Part of the area soon to come under Parks and Wildlife control to be set aside for use by your club and other bike riding groups
- Provision of water jumps and wet areas for motocross
- A simple clubroom on site at Paluma Dam
- Financial assistance from government bodies as is provided to other sporting associations
- Recognition of the legitimacy of your sport - you are tired of being portrayed as 'yobbos'

### ***NORTH QUEENSLAND WILD BOAR HUNTERS***

You want:

- Continued access to the rainforest (formerly State Forest) to hunt feral pigs
- Permission to build overnight club huts in several locations
- Continued permission to bring pig dogs into the forest
